

DUE TO RECENT HEALTH CONCERNS, AS A CHURCH, WE ARE MAKING SOME TEMPORARY CHANGES.

The following precautions are being implemented:

- ♦ The distribution of the Precious Blood from the chalice for the laity is suspended.
(As we know each Host contains the Body, Blood, Soul, and Divinity of Christ, so there is no necessity in drinking from the chalice)
- ♦ Communion will ONLY be given in the hand.
(No Communion on the tongue)
- ♦ Parishioners are urged NOT to offer a handshake during the Sign of Peace.
- ♦ Holy Water will no longer be available at the doors of the Church.
- ♦ During the Offertory Collection, baskets will be replaced with baskets with long handles
