Sunday in  
Ordinary Time**

All of you are children of the light  
and children of the day.  
We are not of the night  
or of darkness.  
Therefore, let us not sleep  
as the rest do, but let us  
stay alert and sober.

**THIRTY-THIRD SUNDAY IN ORDINARY TIME ~ CHANGE OUR LIVES ~** The letters of Paul to the Thessalonians are among his earliest writings, and are driven by his belief and the belief of the entire early Christian community that the return of Christ was imminent, and that devoting time or attention to anything else was foolish. As time progressed, this fervor subsided a bit. Today we may wonder, when we hear these readings about the coming end-times, if we should take them to heart, if we really believe that Christ still may come upon us as a “thief at night” (1 Thessalonians 5:2). **Does this mean that we are to stop our long-range goal-setting, get rid of our yearly calendars and planners, or stop putting money in the college education fund? Of course not.** What it does mean is that we need to change our lives, living like children of the light and illuminating the world around us with the light of the Gospel. Then, on that day, when the details of our daily living become unimportant, we will be ready to find our peace and security in Christ Jesus.

### Companions on the Journey

is a beautiful Ministry created by our Pastor, Fr. Leszek Semik, where parishioners are invited to come and share their joys and their sorrows. *(It used to be over sharing coffee and donuts!! - we'll get to that at some point, again!!)*

Since physical gatherings have been cancelled, due to COVID-19 and social distancing, these meetings are now offered via Zoom.

It takes place the third Thursday of each month.

This month, November 19th, from 10 am to 11:30 am.

Lidia Vinci and Sue McLaughlin are leading this very spiritual and compassionate group. A link to the meeting will be posted each month, for those of you wishing to participate. If you would like to have your name, phone number, and emails added to the list, please email Aleida Rodriguez, @ [arodriguez@st-anastasia.org](mailto:arodriguez@st-anastasia.org). Information will then be sent directly to you from Sue or Lidia.

*Because of the difficult and stressing circumstances that we are in, we really recommend this very supportive group to share how others are coping, learn from it, and be there for each other.*

Hope you enjoy and join it!  
 Stay Home, Stay Well, and Stay Safe!!  
 May God Bless you ALL Abundantly!!!

“God’s love and compassion never fails.” - Lamentations 3:22

### FACTS OF LIFE

#### The Call That Changed Everything

Jen had just returned from the abortion clinic and was still very emotional from the experience. Her phone started ringing, and she reluctantly answered.

**On the other end was one of Human Coalition's Virtual Clinic staff members.**

Weeks earlier, Jen had reached out to the Virtual Clinic to discuss her options.

Jen was honest with her and said that her mind was made up, the appointment was scheduled, and she wasn't keeping the baby. The clinic staff asked if that's what she wanted to do and reminded her that she still had options. Something changed for Jen over the course of the conversation. After that conversation,

Jen felt at peace and capable of choosing life for her child. In the days and weeks that followed, the Virtual Clinic staff continued checking on Jen and

connected her to resources for Medicaid applications, prenatal care, affordable daycare, utility assistance, and even free baby clothes.

### Did You Know?

**Safely store and administer medications for children**

During cold and flu season, many parents give their children a fever reducer, cough syrup, and other medications. These medications can help ease your children's symptoms, but if they're administered or stored improperly, they could put your children at risk. Children are far more susceptible than adults to the effects of medication, because their bodies are smaller and still developing. Even small amounts of drugs can be difficult for them to metabolize, so it's critical to follow your doctor's instructions and to closely monitor children who are old enough to administer their own medication. Make sure medications are stored properly, out of children's reach. For more information, visit <https://www.nsc.org/home-safety/safety-topics/child-safety/medicine>.

*Saint Anastasia was born in 281 A.D. and became a perfect symbol of peace, humanity, and solidarity. Her Feast Day is December 25th. She is a symbol of dialogue and collaboration. In her spirit, and in the spirit of love, we welcome all to the Catholic Community of St. Anastasia Catholic Church.*

### Thirty-third Sunday in Ordinary Time

#### Use It or Lose It

I wonder what that third servant in the Gospel was doing all that time, after he buried the talent he was given. Probably nothing. What strikes me is that the word for money in this reading is "talent," which in our language is an ability or skill. Maybe this parable can remind us to use our abilities and not let them go to waste. A person might be strong and fast, but if she exercises and practices, she could be a great athlete. The same with spiritual gifts. Just having one doesn't make you a saint. So how do you know what gifts you have? First, ask God in your prayers to show you what gifts you have been given. Read the scriptures, especially the Acts of the Apostles or the Letters of Paul (e.g., 1 Corinthians 12:1-11). Listen humbly to friends or loved ones who can tell you what strengths they see in you. Second, look for ways to use your gifts. Check the parish bulletin or website or your diocesan newspaper for activities and organizations that you could take part in. Hospitals, schools, shelters, and nursing homes frequently offer opportunities for volunteers. Or you may see a need for some service that you can get started in the parish or community.

Just remember that you are called to service by your baptism and confirmation. Don't bury that calling by procrastinating or being afraid to try. Remember the "useless servant" with the one talent who was fearful and lazy (Matthew 25:25-26). At least he can remind us to use it or lose it.

*"God is our refuge and our strength, an  
ever-present help in distress.*

- Psalm 46:2

It is no fun to be alone when we need help.  
But the good news is that we are never alone!

At every moment of our lives, God is with us. When we lose a friend, or when we fail at something we tried hard to do, it hurts a lot. We need strength to help us through our hurts and disappointments. That's when Our Lord waits for us to come to Him for the help we need. When we come to Him with trust, we slowly begin to feel the comfort of His presence. With our **Lord's help, we can learn to control our disappointments. Then our disappointments won't be able to control us!**

Lord, as I tell you my troubles,  
may I feel your saving help!
