THE EPIPHANY OF THE LORD

A friend of mine is a young priest who teaches high school physics at a Catholic boys' prep school. Like many today, the boys often think science and religion are enemies. So, he delights in their raised eyebrows when he reminds them his first full-time job as a priest was to be an astrophysicist. He cataloged the size, shape, and matter of distant stars. He tells them, "Science gave me more love for God, not less."

The Magi were something like scientist-astronomers. Like today's scientists, they employed disciplined methods of discovering dependable patterns in the world. Their rigorous commitment to the truth led them to the joy of discovering Jesus. Their love for knowledge leads them to worship the Source of all knowledge. Luke says of them, "They were overjoyed at seeing the star."

We may see the universe as cold and empty and feel sad. But why should we do that? The Magi, like my priest-friend, show us there is another way to experience the world. We use our intelligence to discover the beautiful patterns in the world — in mathematics, physics, astronomy, biology, neuroscience, and so on — and allow this to lead us to greater love for God. So, my fellow Magi: the world needs us to be overjoyed at finding God in science and, finally and fully, in Jesus.

— Father John Muir

EPIPHANY TRADITION

The chalking of the door in one's home is a centuries-old practice throughout the world. It is an easy tradition to adopt, and a great practice whereby we dedicate our year to God from its very outset, asking His blessing on our homes and on all who live, work, or visit them there.

The formula for the ritual — adapted for 2023 — is simple: take chalk of any color and write the following above the entrance of your home:

20 + C + M + B + 23

The letters have two meanings. First, they represent the initials of the Magi — Caspar, Melchior, and Balthazar — who came to visit Jesus in His first home. They also abbreviate the Latin phrase, Christus mansionem benedic: "May Christ bless the house."

The "+" signs represent the cross, and the "20" at the beginning and the "23" at the end mark the year. Taken together, this inscription is performed as a request for Christ to bless those homes so marked and that He stay with those who dwell therein throughout the entire year.

BAPTISM MINISTRY RENEWED

St. Anastasia Baptism Ministry will return anew in 2023! We need your help in bringing our reimagined approach to the St. A.'s community. Under the guidance of our head of ministries, volunteers will refresh this ministry.

We are looking for family couples interested in volunteering their time to this ministry. No previous experience is required. Your time is a gift and we are grateful for your generous answer to pass on the faith to those in our community.

L.A. Catholics work together to protect children

Did you know that the Archdiocese of Los Angeles requires all staff members, and volunteers who work in any capacity with or around children, the elderly, or people with special needs, to complete the VIRTUS® Protecting God's Children for Adults program? This program helps prevent child sexual abuse by raising awareness among staff and volunteers, and educating them on warning signs of abuse, potentially unsafe or inappropriate scenarios, and how to respond to suspicious behavior. Adults who undergo VIRTUS® training also learn the five steps to help prevent child sexual abuse. For more information, visit <https://lacatholics.org/education-and-training/>.
