## A LETTER FROM FR. LESZEK

**“This is the day the Lord has made, let us rejoice and be glad. Alleluia!”**

Dear St. Anastasia Family,

Someone so accurately reflected about Resurrection Day in this way; “The stone was rolled away from the door, not to permit Christ to come out, but to enable the disciples to go in.” Death could not hold Him in the grave as he arose victorious on the morning of the third day! Jesus was, is, and will be alive for all of eternity. For this we are forever grateful because as He lives, we too have everlasting life, if we simply accept Him as Savior.

This is a time of year when things are coming to life all around us. The birds are singing, the grass is growing, and flowers are blooming, and winter months have given us a greater appreciation for the advent of Spring.

What a deep appreciation we can have for the life of Christ, when we pause and reflect on the darkness of His death. From the moment Jesus was born, we know that the Cross was always on the horizon, and with each passing year not only did the Cross get nearer, but the ultimate victory as well... “The Resurrection!”

Christ is risen and the power and the beauty of his unconditional love encountered in the resurrection is the miracle that changed this world. This is a time of grace-filled renewal. This is a time of joy and happiness. It is in a holy and sincere prayer of thanksgiving that our hearts may be open to the hope found in the resurrection. If we radiate that hope in a holy way, this world will still feel the hope and love of Christ. That is such a needed and beautiful gift right now. Let that hope of Christ shine.

On behalf of Msgr. Gregory Cox, Fr. Greg Rozborski, myself, and the entire staff here at St. Anastasia, I want to take this opportunity to wish you and your loved ones a hope-filled Happy Easter!

Fr. Leszek

## ANNOUNCEMENTS & BULLETIN UPDATES

Deadline for any pulpit announcements is **Thursdays by 12N**. If you have any announcements for the bulletin, please email [bulletin@st-anastasia.org](mailto:bulletin@st-anastasia.org). Apr. 23 bulletin content due: **Thursday, April 13**

## EVERYDAY STEWARDSHIP

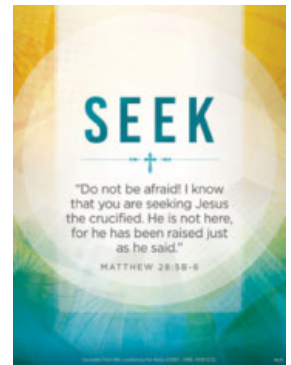

*Come to Christ* —Tracy Earl Welliver, MTS

Life is perhaps God’s greatest gift to each of us. Without life, we would be unable to experience all the wonder of this world, the love of family and friends, and the joy that comes from using our talents and skills. Life itself is more profound a gift than we can even truly contemplate.

On Easter, we celebrate life. For on this day, Jesus Christ conquered death and gave to us the chance for a life eternal. The wonder, love, and joy of this world does not have to end. Through a life in Jesus Christ, these emotions are heightened, and we find even greater fulfillment in this world.

Maybe this Easter you are finding yourself open to taking a next step in your relationship with Jesus. This could be the moment you decide to follow Him more closely and take seriously all that he has given you. If so, welcome to the journey, where there are many other disciples on that same path who can help show you the way and share their stories. If not, hopefully it doesn’t take a whole year for this possibility to be considered again. Jesus is alive and waiting to get closer to you. May this Easter season find you and Our Lord getting to know one another in a whole new way. Happy Easter!

## OPENING NEW DOORS TO THE FUTURE

In 2022, our school board completed a multi-year strategic plan to help lay the groundwork for the future of our school. As part of the plan, one of the goals was to develop a multi-year facility plan to allow our campus to grow, as well as ensure the facilities are safe and secure for all who enjoy its use:

**Goal 6** - St. Anastasia Catholic School will develop a multi-year facilities plan that ensures a safe and secure parish school campus where students can grow, learn, play and perform.

In partnership with our Consultative School Board, the safety committee has been assessing our facilities and protocols to recommend improved best practices. Thanks to our administration, there were many improvements achieved already, including adding privacy fence coverings at the back of the school and using student artwork to create privacy banners along the parking lot. We have installed more security cameras and better monitoring systems and planted privacy hedges around more of our perimeter. With the funds raised through the LA Archdiocese Called to Renew campaign, we have hired a full-time security guard and plan to update our aging electrical panel as well. There are other recommendations in the plans; however, our current budget limits our ability to complete these projects, such as:

1. Install new doors on all classrooms with enhanced security features. The current classroom doors are very outdated, having been installed in the late 1950's and windows added in 2000. New doors will allow staff to lock doors from inside the classroom including windows with updated security features. Updating the doors also improves safety during off-school hours for our parish and visiting community (Sunday school, summer school, summer camp use, and after-school programs).
2. Install an internal PA system for improved communication.
3. Increase perimeter height of walls along grass field
4. Ensure ongoing daily security guard on campus.
5. Engage in a long-term master facilities plan, including plans for the Parish Life Center.

Therefore, we turn to our most loyal supporters to help us fund these much-needed improvements to ensure the safety of our current students, and to plan for the big things to come!

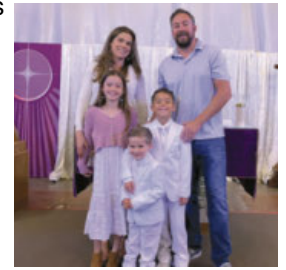

Won't you join us in this mission to grow with purpose? Donate today to our Facilities Fund and help us open new doors for our future!
